Member Role Bluffing Monkeys clubGG

- **ClubGG introduction:**
  - ClubGG was built by the biggest poker platform GGNetwork and provides four different operating systems.
    - http://www.clubgg.net/poker-rng

- **Mission Statement:**
  - Bluffing Monkeys GG aims to create a sustainable/player-oriented poker environment:
    - Fair competition: All games will be monitored 24/7, our team makes sure cheating actions are punished.
    - Friendly environment: We do our best to maintain the games and that the experience of playing will be improved every day.

- **Diversified Development:**
  - Bluffing Monkeys GG is a poker community that emerged from years of building connections all over the world.
